PRAYER FOCUS

FEBRUARY

How delightful that although we are in winter months with some chill winds, we are experiencing warm, bright sunshine and daylight that lingers for a little longer each day. This is a real blessing.

LET US PRAY

- Giving thanks for blessings that sometimes go unnoticed in our lives
- For God's guidance as we take steps to find a new minister for EBC
- That the relaxing of COVID rules can continue and that we see less cases of cases of illness caused by this pandemic
- Giving thanks for frontline Key workers who continue to do their part to help others despite any risks to their own health
- For people who have had appointments cancelled as resources were needed to address the pandemic
- For hospitality services opening up to the public once again and for people being able to enjoy the company of friends in less restricted environments.
- For organisations like the Food Bank and Christians against Poverty (CAP) who continue to help families suffering financial hardship at this time
- For the Night Shelter charity seeking to give homeless people refuge in the winter months

COVID UPDATE

As we have now left Plan B, the wearing of a facemask is no longer mandatory on a Sunday morning.

The seating area for those who wish to continue wearing facemasks is still there.

We will of course continue to follow the guidelines from the Government and Baptist Union

THANK YOU!
